INTRODUCTION

Harmal Panchakroshi Shikshan Mandal was established in Harmal village of Pedne taluka in the year 1967 by the stalwarts from Harmal village under the able leadership as a Chairman Late Shri Ganpat Shankar Parsekar. His successor Shri Laxmikant Y. Parsekar, the present chairman and EX- Chief Minister of Goa has added many feathers in the cap by continuously monitoring the performance of the different institutions. By his untiring efforts, the institutions have excelled and established very high standards in the field of education in the state of Goa. At present Shikshan Mandal runs the following institutions.

- Harmal Panchakroshi Pre Primary and Primary School
- Harmal Panchakroshi High School
- Harmal Panchakroshi higher Secondary School and institute of Vocational Studies
- Ganpat Parsekar College of Education offering B.Sc.B.Ed. and B.A.B.Ed. programmes
- 'Aastha'- "Life skill Resource room" for the children with special needs (Diwyang)

We have an immense pleasure to declare that from the academic year 2023-2024, we are entering a new venture by commencing a College of Nursing with different nursing courses of study

B.Sc. in Nursing affiliated to Goa University

with the aim to have Knowledgeable and competent nurses who will be capable to provide **promotive, preventive, curative** and **rehabilitative healthcare** services to the society.

VISION

To emerge as an institution that is recognized for its excellence in nursing education, health care, leadership and research across the country with adherence to moral, legal and ethical values of the nursing profession.

MISSION

The stated mission of Harmal Panchakroshi Shikshan Mandal's College of Nursing is to ■

Strive hard to achieve the institutional vision.

- Impart highest standard of academic excellence in Nursing Education among our nursing students.
- Inculcate compassionate thoughts and action among our budding young nurses in order to achieve moral values and ethics.
- Build an all - round development of the nursing students by providing the best curricular, co-curricular and extra-curricular activities.

CORE VALUES

The core values give us direction and purpose. The following are our core values

Integrity: Honesty in making decisions and performing duties.

Altruism: Being considerate of the well-being of students, patients, staff and society.

Excellence: Strive to impart the best of all knowledge, skill and desirable attitude in order to provide patients and community with excellent quality of nursing care.

Fairness: Treating people equally or according to the law, rules and ethics.

Innovativeness: Providing education with skill of innovativeness to combat current nursing challenges and demands of the society.

PHILOSOPHY

As an institution, we believe in promoting holistic health and healing. General Nurse Midwife forms a major component of the health care delivery system. They have an important role in promoting health and preventing diseases in the hospitals and in the community settings. So we believe that by providing a good standard of education and training to young generation we can prepare them to become responsible nurses and citizens contributing to the betterment of the society and health care system within the country and overseas.

OBJECTIVES

Our Institute will

- Provide quality education and training to nursing students.

- Assist to perform the nursing roles of caregiver, teacher, supervisor, researcher and manager in academic and clinical setting.

The purpose of the dress code is to maintain high standard of decorum, hygiene and personal appearance, which are essential in caring patients, families and visitors. Therefore, the students are required to wear full uniform during college and clinical as per institutional rules. Using Lipsticks, Jewelry, finger rings, painted fingernails, long nails, tattoos, threads and bracelets on hands etc. are strictly not allowed. Students must be neat and tidy in their dress. Girls are allowed to wear small studded earring with hair covered with hair net. All students are allowed to wear a simple seconded wrist watch only.

▪ PUNCTUALITY:

Regular and punctual attendance in all class activities like lectures, demonstrations, practicals, clinical teaching, tutorials, tests etc is a must. Usual college time is 9:00 am – 5:00 pm and in clinics 8 am – 4 pm. Students must have to participate in all college activities like clinical meetings, conferences, guest lectures, seminars as well as sports, cultural activities etc. Punctuality in theory and practical activities is most essential.

▪ ATTENDANCE:

Students are expected to attend all classes, both theory & practical. A minimum of 80% attendance in theory & 100% in practical is required to be eligible to appear for the NC examination. The student has to make up the shortfall in attendance at the end of program to attain 100% attendance in each of the practical components for each paper before the declaration of the result.

▪ ABSENTEEISM:

In case of absenteeism due to sickness or any emergency reason students are expected to inform class coordinator before or on the day of absenteeism through telephone and produce absenteeism notes from their parents before joining the classes. A medical certificate along with the absenteeism note should be produced for absence of 3 days or more. For planned leaves, students should ask prior permission from the Principal through coordinator by submitting a leave application. If a student is in need to get leave in the middle of a day due to any emergency need during college or hospital hours, she will be allowed to go only with concerned student's parent/ legal guardian after getting their application sanctioned by class coordinator and Principal.

▪ **GENERAL DISCIPLINE:**

Students shall refrain from defacing or damaging college property. In case of loss or damage, the College Authorities reserve the right to take disciplinary action and impose an exemplary penalty either individually or collectively to prevent recurrences. Students should maintain silence in the classes, library, reading room and in the corridors. A student nurse is not allowed to receive gift or gratuity of any sort at any time from the patients of the hospital or their relatives. If any student found in use of liquor or narcotics on hospital duty or in institute premises, he/she will be suspended from the institute for a specific period or be expelled from the institution.

▪ **CELL PHONES:**

Use of cell phone by students is strictly prohibited in class rooms, hospital and community.

▪ **ANTI - RAGGING**

We are committed in creating safe and secure environment and there is no place for RAGGING. Every student must refrain herself from participating in any form of Ragging themselves. Ragging is strictly prohibited in our institution as per the Goa Prohibition Act of ragging 2008: Goa Act of 2009 (Amendment) act 2010. Any student found guilty of Ragging is liable for punishment as per the direction of the Hon'ble Supreme Court. Students are required to maintain ethical and professional standards in behavior both inside and outside the college, hospital and community premises
